

ShowMax™ TABLETOP

visit www.prezenta.com

SetUp

1 Place ShowMax unit with wheels facing up, and away from the front of the display table.

2 Unlatch and open unit. Remove header and lights. Fold four endcaps up.

3 Grip each side of unit on outside, near top of case, and lift up till case is standing verticle.

4 Open outer panels, but leave angled to support display.

5 Place header into two slots on backside of center panels.

6 Mount light fixture by inserting base peg into hole on top of side panel.
