

Production-ready checklist for our Classic imprinted table coverings

Ai

Note: Production-ready artwork for Classic imprints requires design experience using Adobe Illustrator.

Designs not adhering to our specifications may experience delays and possible charges for our designers to correct.

This checklist is provided to assist in properly designing vector artwork to be production-ready for all Classic imprinted table coverings. If you need a professional designer to prepare your artwork to these specifications, but don't have one, please call us at 800.969.9913.

Accepted Design File Type: Adobe Illustrator .ai or .eps (any version). Freehand or CorelDraw vector files must be converted to Adobe Illustrator .ai, before uploading for production.

Accepted Artwork: Solid-color black or white vector art (also known as line art). Production-ready artwork must be created as (or converted to) solid color simple shape vector art and can contain NO bitmaps; outlines; clipping paths; actual fonts; thin objects; drop shadows; color screens; drop shadows; tints; blends; transparencies; gradients or special effects of any type.

Cannot Accept-Bitmaps: Simple shape vector artwork can contain NO placed (embedded or linked) files of any type. This includes, but is not limited to, the following file types: jpg, gif, wmf, bmp, tif, psd, eps. All bitmaps must be deleted from your file before uploading.

Cannot Accept-Fonts: All fonts must be converted to outlines (paths or curves) before uploading for imprint. All strokes, including serifs, cannot be narrower than a minimum of 1/8" (.125") at actual imprint size (additional charges apply for our designers to correct).

Cannot Accept-Thin Strokes & Outlines: Classic white or black imprinting is not suited for small/thin objects. Everything, including all lines, strokes, outlines, objects and shapes cannot be narrower than 1/8" (.125") at actual imprint size (additional charges apply for our designers to correct).

Cannot Accept-Complex Works of Art: Classic white or black imprinting is not suited for complex artwork. If your artwork contains many objects, many of which are small or thin, please contact us at 800.969.9913 to discuss alternate printing options.
