

Spider Feet Sign Holder Jumbo

Product Parts

- 1 - Feet (x2)
- 2 - Screw
(Not Included - x2 per holder)
- 3 - Wing Nut
(Not Included - x2 per holder)

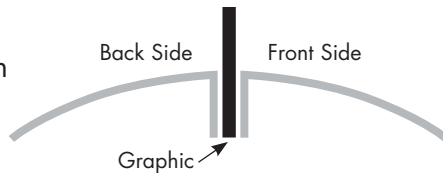

Display Set-Up

Step 1

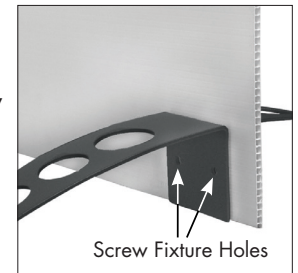

Remove both sides of the Foot (1) from the box and place on a clean, flat surface along with the Screw (2 - not included) and Wing Nut (3 - not included).

Place your graphic upright, between both Foot (1) sides.

Step 2

With the Foot (1) sides in the desired positions, mark the Screw Fixture Holes on the Graphic. Remove the Graphic and pre-drill the hole marks.

Step 3

Place the Graphic back between the Foot (1) sides and line-up the drilled holes of the Graphic with the Screw Fixture Holes.

Insert the Screw (2 - not included) through the Screw Fixture Holes and Graphic Hole. Tighten in place with a Wing Nut (3 - not included).

Step 4

Place assembled display in your desired location and set-up is complete.

Storage & Care

Place Foot in box and store in a cool, dry location. To clean, wipe with damp cloth.
