1.
Step 1. Assemble background frame
Lay pieces out flat and assemble in numerical order as shown. Numbers will be on the back side of the tube.
When frame is complete, stretch background graphic over the frame starting at the top. Pull tightly all the way
down assuring holes in graphic align with knobs on frame and secure with zipper.

Note: Knobs should
face forward when
frame stands upright.

Graphic will fit snugly
over the frame with the
zipper at the bottom.
